Nazir Cotton Mills Limited Annual Report 2022

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBER OF NAZIR COTTON MILLS

LIMITED REPORT ON

THE AUDIT OF THE FINANCIAL STATEMENTS

ADVERSE OPINION

We have audited the annexed financial statements of **M/S NAZIR COTTON MILLS LIMITED (the company)**, which comprises the statement of financial position as at June 30, 2022, and the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statement, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanation which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanation given to us, because of the significance of the matters as discussed in basis for adverse opinion section of our report, the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give information required by Companies Act, 2017

(XIX of 2017), in the manners so required and respectively do not give a true and fair view of the state of the Company's affairs as at June 30, 2022 and of the profit or loss and other comprehensive income, the changes in equity and its cash flows for the year then ended.

BASIS FOR ADVERSE OPINION

- a) As explained in note 2 to the financial statements, the Company has ceased its textile manufacturing operations. The Company without any adjustments for points below incurred loss during the year amounting to Rs 1.98 million resulting in accumulated losses of Rs. 391.716 million (2021: Rs. 399.024 million) at the close of the year ended 30 June 2022. The Company's current liabilities exceed its current assets by Rs. 172.020 million (2021: Rs. 163.515 million). Moreover, short term borrowings from financial institutions remained unpaid along with accrued markup which is in litigation. The Company has been unable to arrange fresh financing for working capital and other purposes. The management of the Company did not provide us its assessment for going concern assumption used in preparation of these financial statements and the future financial projections indicating the economic viability of the Company. Moreover, the management has been unable to satisfy us with respect to:
- the willingness of the litigant financial institutions to restructure the terms and conditions and repayment of their existing loans. These conditions indicate the existence of material uncertainty which cast a significant doubt about the Company's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities in normal course of business. However, the financial statements are prepared on going concern basis. Had the financial statements been prepared on a non-going concern basis of accounting, we believe that it would have had a significant negative effect on the Company's financial position and financial performance
 - letter of support as well as financial ability of sponsors and related parties for further cash injection
 - hiring of specialized staff for recommencing of operations
 - progress on negotiations with new financial institutions for working capital and BMR activities

Nazir Cotton Mills Limited Annual Report 2022

Based on the audit evidence obtained, we believe that the Company will not be able to meet its obligations in the ordinary course of business. Accordingly, we do not agree with management's preparation and presentation of the financial statements on a going concern basis. However, the financial statements, are prepared on going concern basis. Had the financial statements been prepared on a non-going concern basis of accounting, we believe that it would have had a significant negative effect on the Company's financial position and financial performance.

- a) The Company has not provided for mark-up on loans from financial institutions owing to the dispute with financial institutions since the litigation, and no provision for cost of funds had been accounted for in the financial statements. In the absence of detailed working and the opinion of legal counsel (sought directly) of the Company in this regard we were unable to determine the amount of provision required on account of accrued mark-up.
- b) The Company revalued its certain fixed assets on June 30, 2021, however Company incorporated the revaluation adjustment in current year. Moreover, the Company has not properly accounted for the revaluation surplus in prior years based on previous revaluation reports as well and accordingly fixed assets, revaluation surplus, depreciation expense and deferred tax has not been properly accounted for in the financial statements during the year as well in prior years. We are unable to quantify the impact of the same due to limited information available.
- c) The company made an investment in Sajjad Textile Mills Limited which has negative equity of Rs 388.749 million as at June 30, 2022. The Company has still shown this investment in long term investments in current as well in prior years. In our opinion this amount should have been impaired in prior years as equity is negative. No impairment has been recognized in the financial statement against such investment in current year as well. Had the impairment been recognized in the financial statement, the company equity would have been reduced by Rs. 3.833 million with similar decrease in long term investments.
- d) The Company's filed its annual income tax return for the last year without charging minimum tax as provided for in the financial statements and hence does not reconcile. Moreover, in our opinion the tax depreciation schedule as per income tax return does not match. However, due to absence of confirmation from tax advisor of the Company, we are unable to quantify the difference and also confirm the status of any tax litigations.
- e) We have not received confirmation from legal advisor of the Company, and hence unable to comment on the contingencies and various cases against the company. Moreover, Company has booked arrears paid to WAPDA amounting to Rs 12.418 million as per the decision of Lahore High Court and booked the same as advance. We are of the opinion, that in the absence of any stay order from competent authority, the amount may be disclosed in the financial statements but should not be recognized. However, we have not received any confirmation from the legal advisor of the Company.
- f) The Company is not in compliance with certain requirements of Listed Companies (Code of Corporate Governance) Regulations, 2019 and rules of Pakistan Stock Exchange and we have issued an adverse review report on the statement of compliance. We are unable to determine any financial implication of the same.
- g) The Company gave advance in respect of dairy equipment and other related expenses for construction of dairy farm, however we have not received any direct confirmation from the party. This amount is appearing since 2020 without any movement, and in our opinion should be written off. Had the impairment been recognized in the financial statement, the company equity would have been reduced by Rs. 3.019 million with similar decrease in capital work in progress.
- a) The company's operations have remained closed for the past many years. Similarly, plant and machinery remained idle during these years. Resultantly, it is expected that there will be an allowance for obsolescence as there has been no movement in the quantities of stores, spares and loose tools. We believe that a provision for obsolescence amounting to Rs. 1.535 million be recognized in the financial statements in prior years. Had this provision been recognized in the financial statement, the company equity would have been reduced by Rs. 1.535 million with similar decrease in stores, spares and loose tools.

Nazir Cotton Mills Limited Annual Report 2022

- b) The Company have trade debts amounting to Rs 1.066 million with minimal movement since 2019, however we have not received any direct confirmation from the debtors. In our opinion this should be written off in prior years. Had the provision been recognized in the financial statement, the company equity would have been reduced by Rs. 1.066 million with similar decrease in trade debts.
- c) We were unable to physically count cash in hand as at year end our appointment was made after the year end. Moreover, we have not received any direct bank confirmation from the financial institutions and hence unable to confirm closing cash and bank balances in the financial statements.
- d) The Company has presented sale of calves in sales, with associated cost in cost of sales instead of classifying the net amount as other loss.
- e) The Company has not provided for employee retirement benefits and other labour laws requirement, and we are unable to quantify any financial impact of the same.
- f) The cash flow statement for the comparative year shows cash inflow of Rs 12.26 million from sale of biological assets, whereas the same amount is derecognized from the biological assets as appearing in note 14 to the financial statements. The amount derecognized should have been the fair value of the biological assets sold. Accordingly, fair value gain booked during the year is not accurate. In the absence of related information, we are unable to quantify the difference.
- g) We have not been provided with adequate information regarding nature of capital & revenue reserve appearing in the financial statements.
- h) The Company has sponsor loan of Rs 122.175 million payable on demand and recognized as current liability, however the Company does not have sufficient current assets to repay such liability on demand.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statement* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountant* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Key Audit Matters

We have determined that there are no Key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard, except certain non-compliances of statement of compliance on listed companies (code of corporate governance) regulations 2019 as mentioned in review report on the statement of compliance.

RESPONSIBILITIES OF MANAGEMENT AND BOARD OF DIRECTORS FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Acts, 2017 (XIX of 2017) and for such internal controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosure in the financial statements or, if such disclosure is inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of financial statements, including the disclosures and whether the financial statements represent the underlying transaction and events in a manner that achieve fair presentation.

Nazir Cotton Mills Limited Annual Report 2022

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefit of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Based on our audit, we further report that in our opinion because of the significance of matter stated in basis of adverse opinion in section of our report above:
